Who is the Community Voices Network for?

The network is for people from disadvantaged areas who volunteer their time, experience or expertise to improve either the

- *health*
- *job prospects*
- *education and learning*
- *crime reduction and safety, or*
- *housing and environment*

of their local community – that is, the **regeneration** of the community.

How much will it cost to join the network?

Nothing! You will have **free** access to all opportunities such as learning events and newsletters. If you are a member there is support for participating too!

What does the network provide?

The current funding and arrangements for the delivery of the Network will end on 31 March 2008. But don't let this put you off. Your details will be saved on a database and you will be the first to know when new opportunities are available. The Scottish Government is currently looking into the possibility of continuing the Network beyond the end of March. For further information please contact Wendy-Louise Smith at Communities Scotland by telephone on 0141 305 4186 or by e-mail at WendyLouise.Smith@scotland.gsi.gov.uk
